TERMS AND CONDITIONS FOR GSIS SERVICING BANK

1. **Eligible Members.** Members as appearing in the Database of the Government Service Insurance System are eligible to enroll under the Government Service Insurance System (GSIS) eCard Program.
2. **Card Maintenance:**
 - a. The GSIS eCard is first and foremost a membership identification card and as such will be required in all transactions of the Member/Cardholder. The GSIS eCard may also be used as:
 - An Automated Teller Machine (ATM) card, in conjunction with a Personal Identification Number (PIN), to withdraw money from ATMs, subject to the availability of interconnection; and
 - A Debit/ Cash Card. When the Member/Cardholder signs a sales voucher or enters the eCard information to pay for goods or services at retailers or suppliers worldwide who accept it, GSIS Servicing bank shall debit to the account the amount of any such transaction authorized in such way. When it is used as an ATM card, GSIS servicing bank shall also debit to the account the amount of any transaction authorized by the cardholder in such way.
 - The Member/Cardholder undertakes to act in good faith at all times in relation to all dealings with the ecard, GSIS and GSIS servicing bank.
 - The total amount of any transactions carried out in any one day shall be limited to such amounts and by such other conditions as shall be notified by electronic means or in writing to the Cardholder by GSIS servicing bank from time to time with effect from the date of such notice. A transaction cannot be canceled by the Cardholder after it has been completed. The Cardholder is not authorized to enter into transactions using the eCard to a value in excess of the credit balance of the account. If GSIS servicing bank is asked to authorize a transaction, GSIS servicing bank may take into consideration any other transactions which have been authorized but which have not been debited to the account (and any other transactional activities upon the account) and if GSIS servicing bank determines that there are or will be insufficient available funds in the account to pay the amount that would be due in respect of such transaction, GSIS servicing bank may in its own absolute discretion refuse to authorize such transaction, in which event such transaction will not be debited to the account.
 - b. The Member/Cardholder acknowledge and conform that upon receipt of the new eCard from GSIS servicing bank, the old eCard shall be deactivated and will no longer be valid. The Member/Cardholder undertakes not to use the old eCard for any other purpose other than as a souvenir. The Member/ Cardholder hereby hold the GSIS servicing bank and or any of its officers and employees free and harmless against any liabilities, claims, losses or demands relative to the issuance/release of the eCard and non-surrender of old eCard, or those arising from or in connection with this Waiver of Rights and Grant of Authority.
 - c. **The PIN.** The GSIS servicing bank issues a PIN to the GSIS Member/Cardholder for use with the eCard. The Member/Cardholder agrees to keep the PIN private and confidential and agrees that these shall not be disclosed, given or made available to any person under any circumstances. The Member/Cardholder must take all reasonable precautions to avoid unauthorized use. The Member/Cardholder agrees to free GSIS servicing bank of any liability that results from disclosure of PIN.
 - d. **The eCard shall remain the property of the GSIS.** In case of death of the Member/Cardholder or any other contingency or cause, the GSIS may request from the servicing bank to suspend or block the Member/Cardholder's account upon receipt of request or notice of death from GSIS (as applicable). The GSIS may also request to restrict the account and recover an amount to the extent of overpayment of pension or loan proceeds, if any. The GSIS may also request to restrict the account to the extent of the loan amount granted to a member and later found by the GSIS as invalid due to fraud, misinterpretation, or error on account of any transaction which the member may have with the GSIS. The eCard is not transferable and shall be used

Dear Partner AAO,

Greetings!

The GSIS UMID/eCard allows members (and pensioners) to have ease in access to their records, benefits and loan privileges with the System. It is for this reason that all members, particularly the newly hired employees of an agency, are required to enroll for eCard.

The below listed are members under your agency who have not yet enrolled for ecard.
